

ANCIENT ACCEPTED SCOTTISH RITE OF FREEMASONRY

49 STATES IN 30 DAYS TO HELP DYSLEXIC CHILDREN

With 59 learning centers in 15 states the 32° Masonic Learning Centers for Children, Inc. has provided thousands of dyslexic children with **free to the public** one-on-one tutoring since 1994. The Learning Centers also provide **no-charge** training for tutors and support to clinical research programs focusing on dyslexia (a learning disability that manifests itself primarily as a difficulty with written language, particularly with reading)

Tutoring is provided to children from kindergarten through high school that have been diagnosed as dyslexic. Children are eligible regardless of economic status, race, religion, or Masonic affiliation. The positive impact of early intervention on the lives of these children and their families is enormous, and inspires our commitment to this program.

Members of HIRAM'S Scottish Riders Motorcycle Club have planned a 49 state and 2 Canadian province motorcycle ride, the sole purpose of which is to raise monies for this program. This ride will start on June 11, 2009 at the 32° Learning Center in Reading, PA and conclude on July 11, 2009 at the Council of Deliberations held in Seven Springs. The trip will cover an estimated 12,200 miles in 30 days. The riders, participating in this endeavor, do so at their own expense and request your pledge of support of **ONE PENNY A MILE** (\$122.00) OR WHAT EVER YOU WOULD LIKE TO PLEDGE. **ALL** donations will be used to offset costs associated with administering this outstanding dyslexic program that is also a tax-exempt 501 (c) (3) charitable organization. (If your employer has a Matching Gift Program please include a form to increase your gift.) Additional learning center information is available at www.childrenslearningcenters.org Please make a difference in a child's life. Give the gift of reading by pledging today!
